

Memphis Moovers are coming back to Bell for our SHOW on Saturday 2 March.

This Roving Duo were such a hit a few years ago that we've invited them back.

The Memphis Moovers are known for their unique brand of roving entertainment.

It's the 'big red hats', the 'big shoes' and of course the novelty roving cars used to 'deliver the tunes' that stand out in any crowd.

This talented bunch of performers 'moove' the audience, providing a unique touch of WOW factor while creating a fun atmosphere at any event.

The Memphis Moovers are comfortable covering a variety of music genres from rock 'n' roll, country, blues, rock, pop and more.

Don't be surprised to hear the Memphis Moovers go from Carol King's 'Its Too Late' to ACDC's 'Long Way to the Top' to Bill Hayley's 'Flip Flop n Fly' to Lady Ga Ga's 'Poker Face', they squeeze it all into a great day of awesome entertainment and musicianship.

Come join the fun with us.
